2017 Look Awards Renovation Nomination Form

The Look Awards were created to celebrate and recognize outstanding construction (renovation) by businesses whose efforts contribute to the enhancement of the community's overall visual appeal.

The goal of the Look Awards is to recognize businesses that make outstanding efforts in construction of a new business or renovation of an existing property. These companies understand the importance of the appearance of their property to their business success and to the overall appearance of their community.

Look Awards will be presented at the chamber's annual awards luncheon on Wednesday, December 13, 2017 at Ritz Charles.

Eligibility and Criteria

- Four Look Awards will be presented to businesses in Carmel and Fishers: two for a renovation project and two for new construction.
- Eligible businesses must have received a Certificate of Occupancy in the year in which they are nominated.
- Nominees will be judged on the quality of work, appropriateness of the construction to its surroundings and contribution of the construction to the overall look of the community.
- Companies may be nominated by other companies or may nominate themselves.
- Nominees will be asked to provide a brief (up to three pages) description of the project and a list of credits, including property owner, architect, designer, planner, consultants and other pertinent players.
- Photos of the building must be submitted with the nomination form. Digital photos submitted by email are preferred.
- All nominations will be reviewed by the Awards Committee.
- Government buildings are not eligible.

Deadline: Monday, October 16, 2017

Nominations are due on or before Monday, October 16, 2017 and can be submitted by:

Email: carol@onezonecommerce.com
Mail or in-person: OneZone, Inc., 10305 Allisonville Road, Suite B, Fishers, IN 46038

Photos of the building must be submitted with the nomination form. Digital photos submitted by email are preferred. Call us at 317.436.4653 if additional information is needed.
